CIRCUMSTANCES OF OFFENSE

GRAND THEFT - #6098 - CONTRA COSTA COUNTY

FACTS:

1203.01 STATEMENT: "This defendant took scrap metal from the Fulton Shipyard in Antioch."

PROBATION OFFICER'S REPORT: "According to the report from the Sheriff's Office dated November 19, 1956, sometime between 4:00 p.m. of November 18, 1956, and 9:00 a.m. November 19, 1956, the Fulton Shipyard, Antioch, was entered and the people responsible removed some 3500 steel carriage bolts with the nuts attached. In addition, there was also removed from the scene area twenty 50-gallon drums containing scraps of bronze, brass, and stainless steel along with monel metal. In addition, three bronze propellers 42 inches in diameter approximately valued at \$350 each were removed.

"According to the Sheriff's Department report dated November 23, 1956, the Antioch Police Department noticed a suspicious truck parked at the Fulton Shipyard and contacted the Sheriff's Office. On arrival, the Sheriff's deputies found a rented truck parked outside the east gate and another rented truck parked inside the east gate. Both of these trucks were partially loaded with steel bolts taken from the stock pile maintained at the shipyards. A gate which had previously been locked with a chain and padlock was open. Upon checking the trucks, the Sheriff's deputies found they had been rented to two of the co-defendants in this matter and approximately at 5:00 a.m. one of the responsible [REDACTED] was arrested in downtown Antioch.

"After several days of intensive investigation by the Sheriff's Department of this county, along with the cooperation of the Sheriff's Department of Alameda County and the Oakland Police Department, it was discovered that nine adult males, all residing in the Oakland area, had, over a period of several weeks, been systematically looting the shipyard.

"It was ascertained that the majority of the metal taken by the group from the shipyard had been sold to two scrap dealers in Oakland. The total amount of money received by the group for the scrap metal stolen was in excess of \$3000. A partial recovery of the metal was made...

"It is rather difficult to determine who set this job up. It appears that several of the group made one trip to the shipyard, and one of that group in turn told several friends who in turn made another trip until finally the entire group was involved. All of the group have prior police records and were all fully aware of the consequences of committing such a crime."

VIEWS OF JUDGE & D.A.: "This defendant should serve a sufficient term of imprisonment, [REDACTED] and has several violations of the law, and should serve a good term of imprisonment."

INMATE'S VERSION:

PERSONAL HISTORY RECORD: "I found out from Local gossip around town about a closed shipyard in Antioch which had a lot of scrap metal laying around. Myself and a fellow named [REDACTED] went up there to see if we could find it. After finding it we took some of in a truck that we rented."

then told another fellow who told 7 or 8 other guys about it. Before long everybody was taking it. When the law finally did catch up with the fellow I was down in Long Beach preparing to get married. After making a telephone call back to my girl friend she told me there was a warrant for my arrest. I came back the next day to see what it was about. After inquiring around I found out what it was about. I knew for a fact that they couldn't prove anything on me. But my girl friend said if I didn't turn myself in she wouldn't marry me. I didn't want to lose her so I took her advice.

"The investigators at the time said everybody involved would get County Jail time. I was the only one who received the Penitentiary. The other fellow who was with me got 6 mo. Co. Jail. His name is [REDACTED]

THEFT OF VEHICLE - ALAMEDA - #30720

FACTS:

1203.01 STATEMENT: "...At approximately 8:45 p.m. on August 21, 1959, [REDACTED] parked his 1951 Chevrolet automobile in the parking lot of Macy's Department Store...in San Leandro. Approximately forty-five minutes later he discovered that his car was missing.

"On September 4, 1959, defendant was arrested by the Oakland Police Department in possession of a stolen vehicle. The vehicle at this time bore different license plates and registration. Defendant first stated that he purchased the car from an unknown party and had transferred the license plates and registration from his own car because the vehicle was without them at the time of purchase. Subsequently defendant changed his statement and admitted that he wired the car and drove it from Macy's parking lot..."

INMATE'S VERSION:

INMATE'S QUESTIONNAIRE: "...I had a very good job that I had been working at for close to 4 months when this happened. I was liked by all. I was happy with my work. Shortly after I bought a car for \$250.00. It ran for two weeks, and then it threw a rod. I put it in a garage in Vallejo close to where it blew up. I paid \$108.00 for another motor. It was my vacation pay. After having this second motor for only two more weeks the motor did the same thing. I had a 30 day guarantee on the motor, so I sent it back to Vallejo for repairs. They told me they would have it ready in a few days. Two weeks later they still didn't have it fixed, and they stated it wouldn't be ready until they could find a suitable motor. So doing as I had been, for near the past month, I started out one Friday evening for Oakland. As usual I caught the bus. I was walking down East 14th St in Oakland. I had walked maybe 2 miles when I passed this new Macy's Shopping Center. Then and there without plan of this crime I saw a car just like mine. I stole it for the purpose of going to Vallejo and see my girl friend. After doing that I drove the car back to my home. I had intended on abandoning the car. I kept putting it off just one more day, just one more day till maybe I would get my own car back. After keeping the car for a week, I then had it painted. It was a 40.00 paint job and I still intended on abandoning it. A few day's later I was picked up in the car in Oakland.

I have tried to pin the very reason down but it is difficult to do so. There was no profit gain, and I knew, or had the feeling I wasn't going to get away with it. I had made such rapid progress in my job and living life; that maybe I was just too good for myself. It happened so fast that I am really surprised with myself. It was the only scrap I was involved since I was paroled, and it was a senseless thing to do. But I still can't say why I did the very crime.

ROBB 2nd & ESCAPE CS & ESCAPE - CONTRA COSTA - 8331, 8486, 8383

FACTS:

PROBATION OFFICER'S REPORT: (Robb #8331) "On February 7, 1963 [REDACTED] Robert Batchelder, John Batchelder and [REDACTED] at 10:30 P.M. entered the Esquire Club at...San Pablo. [REDACTED] drew a gun stated it was a robbery and the four men cleaned out two cash registers and took the wallets of the clerk on duty and the owner. The patrons of the bar were herded into the ladies' restroom and told to stay there. One customer moved too slow and was struck over the head. All told, approximately \$1,000.00 was taken."

PROBATION OFFICER'S REPROT: (Escape #8486) "On July 21, 1963 at 7:45 P.M. a trustee at the Contra Costa County Jail Martinez notified one of the deputies that an escape was in progress. It was determined that nine prisoners including John Batchelder had escaped by prying loose the grate on the air outlet vent which leads to the main ventilation system on the roof. After reaching the roof the escapees made their way to the ground (2 stories) by the aid of a rope made of tying mattress covers together. The defendant remained free from custody until July 24, 1963, at which time he was arrested at the home of his mother...Sacramento."

PAROLE VIOLATION CHARGES: (Escape #8383) "On 4/22/63, Subject was in the custody of Contra Costa County Jail in Martinez awaiting trial on a robbery charge. He was taken to appear in Superior Court on this date. It is the practice of the bailiffs of the court to temporarily detain the prisoners awaiting appearance in the Superior Court in the jury room which is located adjacent to the Superior Court. Subject and [REDACTED] were able to conceal bedsheets in their clothing, and while being detained in the jury room, were able to get out through the window and use the bedsheets as ropes and escape. They were only gone approximately 45 minutes when they were located by the local authorities hiding near the Shell Oil Company Refinery on the outskirts of Martinez."

ADDITIONAL INFORMATION: One additional count of Robbery was dismissed.

VIEWS:

1203.01 STATEMENT: "This defendant should serve more than a minimum term of imprisonment. He has a long record and has caused considerable trouble in the County Jail. He finally escaped twice--once from the courtroom and once from the jail. Besides these escapes, he was sentence on this charge of robbery.

RSP - ALAMEDA - 47479 & BRING DRUGS INTO PRISON - ALAMEDA - 50304

FACTS:

PROBATION OFFICER'S REPORT: Case #47479. "...on or about 4/3/70, the Thermxchanger company was burglarized of aluminum and brass discs valued at \$5,000. Other tools and a Chevrolet truck were also stolen. Defendant admits to his complicity in this offense...The aluminum and brass discs were subsequently sold by the defendant to American Scrap Iron Company..."

Case #50304. "...Defendant reports that his cellmate... [REDACTED] brought a balloon each of heroin and marijuana into the cell. Defendant states that a female friend of [REDACTED] passed the contraband during visiting hours..."

ADDITIONAL INFORMATION:

JUDGMENT: "...The Court recommends to the Department of Corrections that the defendant be placed in a felony drug program and further recommends that the defendant not be placed at Folsom State Prison..."

INMATE'S VERSION: "Conv. of 496 PC plead guilty. I assisted in the sale of scrap metal to a junk yard in Oakland. Two fellows who worked with me, wanted to know where scrap could be sold. I showed them to a junk yard, and I was identified as one of the persons who did this. I was arrested on the job.

My second beef was of possession in jail. I plead guilty to 6 mo. to 5 yrs. My cellmate was observed bringing drugs in, and during his arrest I was also charged for joint possession. Not wanting to linger in the county any longer I plead to the lesser charge of possession in jail."

CRIMINAL INVOLVEMENT: This man has an extensive arrest history as an adult. His first adult arrest was for a Stat Rape charge stemming from an illicit affair with a 16-year-old girl, and he served one year county jail time. Approximately one month after his release from county jail, he was arrested and placed in State Prison for GT. Within eight months of his parole, he was returned to CDC for Car Theft. He was again released and within three months, arrested for Robb. While awaiting sentencing, he escaped twice from the county jail and was returned to CDC for Robb 2nd, Escape 2 cts.

After approximately six years he was again paroled and within seven months he was arrested for the instant offense of RSP. While in the county jail he was caught with a "balloon" of heroin and charged with Poss Drugs in Prison. With regards to the RSP charge, Batchelder maintains he could have done the burglary himself but passed up the opportunity. As it turned out, he weakened at the thought of easy money and assisted with sales to a junkyard. With regards to the Poss charge he states he was looking at the heroin his cell partner had brought in and he was caught with it.

S was latter turned over on 9/9/59 to the San Leandro Police Department for Violation of PC 503, as reported in Emergency Report. S had taken a car belonging to [REDACTED] a 1951 Chevrolet, and had it repainted black and had changed the license plates from his 1950 Chevrolet, same type, replacing plates SCT 456 with his plates CZV 273. Charge 1. Subject was apprehended by the Oakland Police Department for the City of San Pablo Police Department as he had been identified as having committed the robbery committed at the Wee Club on 2/14/63 in the City of San Pablo. He subsequently pled Guilty to this charge and was sentenced as stated in Charge 1.

Charge 2. On the evening of 7/21/63, Subject and another parolee, one [REDACTED] while incarcerated in the Contra Costa County Jail, plus seven other inmates, escaped from the Contra Costa County Jail through a ventilator. 7/21/63
Charge 3. On 4/22/63, Subject was in the custody of Contra Costa County Jail in Martinez awaiting trial on a robbery charge. He was taken to appear in Superior Court on this date. It is the practice of the bailiffs of the court to temporarily detain the prisoners awaiting appearance in the Superior Court in the jury room which is located adjacent to the Superior Court. Subject and another inmate, one [REDACTED] were able to conceal bed-sheets in their clothing, and while being detained in the jury room, were able to get out through the window and use the bed-sheets as ropes and escape. They were only gone approximately 45 minutes when they were located by the local authorities hiding near the Shell Oil Company Refinery on the outskirts of Martinez. Subject was sentenced as stated in Charge 3.

CHARGES SPECIFIED:

2. Jack Batchelder violated Condition 6 of the Conditions of Parole by having under his control and trafficking narcotics, heroin.
3. Jack Batchelder violated Condition 11 of the Conditions of Parole by having in his possession, narcotics as evidenced by his conviction on 5-27-71 in the Superior Court, Alameda County.

SUPPORTING EVIDENCE:

Charge 1. Attached Crime Report dated 4-5-70 indicates that Thermichanger, Inc., 9819 Bearmain Street, Oakland, was burglarized of approximately \$11,000 worth of equipment and tools. The items are all listed in the report. (Addendum #1) Entry was made by removing screws at base of sheetmetal wall, south side of building. Once inside, a selective search was made of the building; all items were then loaded onto a one-ton company truck and stolen. Approximately three days later, Subject was seen in possession of some of these stolen articles. At the time, Subject was an employee of the above firm and was arrested right on the job on 4-9-70 for burglary and receiving stolen property. On 4-11-70 Subject was charged with receiving property obtained by theft. On 5-27-71 Subject appeared in the Superior Court, Alameda County, Dept. 5, the Hon. M. O. Sabraw presiding, and was found guilty of 496 PC. Subject returned to Superior Court on 6-18-71 and was sentenced to State prison.

Charge 2. On 10-13-70 it was brought to this agent's attention that [REDACTED] Subject and [REDACTED]

Assistance was requested and this agent, along with several Oakland police officers went to the above address. The registration book was checked and it was noted that Subject had been living in Room 87 for the past several days. Upon knocking at the front door, Subject refused to open it. A forced entry was made and all suspects were placed under arrest. [REDACTED]

[REDACTED] A search of the apartment was made and 13 balloons of heroin and a narcotic kit were found. On 5-27-71 Subject appeared in Superior Court, Alameda County, Dept. 5, the Hon. M. O. SUPERVISOR'S REVIEWS AND COMMENTS: Conservation Center. S is a 37 year old with past escape history 1963, a Stat. Rane for which he served a year in jail and extensive arrest history.

J. E. Wood, CC II

REVIEWER'S COMMENTS: A period of medium custody is definitely in order for this man prior to camp. He has introduced Heroin into the county jail in Alameda. (This offense actually precludes Conservation Center criteria) and his visits should be closely watched. He could be viewed for camp after completion of trade training (9 mos) and if he has made adequate adjustment.

CSR ACTION:

INMATE'S RESOURCES AND PLANS FOR RELEASE:

Employment: Batchelder has not made any inquiries into employment and does not have any job offers in his file. Indicates he will seek work in Body & Fender or as a painter. Intends to use the services of Human Resources Development in securing work.

Residence: Does not wish to parole to the Bay Area. Seems to say he would not report there because he would be taking on problems right away. The best possibility at this time appears to be Sacramento where relatives reside.

EVALUATION:

This is the first appearance Batchelder has made before this counselor for the purpose of preparing an Adult Authority Report. He remained in this interview approximately 45 minutes. Had previously appeared before this counselor in Post Board Screening Committee on 10/1/71 and at that time he was counseled to continue with Vocational Body & Fender before considering movement to another institution.

Batchelder admits his involvement in the offense. However, he seems to push himself off to the side as an individual who just happened to be taken into the illegal activities. Indicated he met two ex-felons while working with Thermax Changer, Inc., Oakland, and they encouraged him to participate in a burglary of their employer. Indicated he declined but when they pulled the burglary they came directly to his house to help them sell the goods. He did help them in that regard but seems to say he did not get any money from the deal. States the narcotics were given to his cell mate in the jail and he brought them into their cell where they were found. Batchelder had been arrested because of Heroin and a narcotics kit being found in the apartment

a good initial effort to stay away from illegal activities but after his marriage which he took part in without the permission of the parole agent [REDACTED]

Shortly thereafter he was arrested for receiving stolen property, [REDACTED] and a short while later he was arrested for the narcotics [REDACTED]. Indicates he wants to change.

[REDACTED]

He is looking for parole at the present time and is indicating he does not wish to reside in the Bay Area. Sacramento may be his best possibility in that he does not have any job leads in any other locale. Work Furlough may be a possibility if it is available in the area he chooses. It would seem advisable to see that S does get to a Human Resources Development agency to try to work out a lead in auto body and fender work. [REDACTED]

this time, but had been unable to directly connect him with any burglaries. However, they are reasonably sure that S [REDACTED] as well as other companions of his, have been connected with bar burglaries throughout the Oakland, San Francisco and Vallejo area. Arresting Agency - Oakland Police Department

Number of Agency's Report #595734 San Leandro Report #14833

Facts of Arrest:

Oakland Police Department at 0200 hours saw S leave his mother's home at [REDACTED] S had been under surveillance for possible burglaries in the Fruitvale area of Oakland. S was followed and stopped by members of the Oakland Police Department and brought in for investigation of burglary. On 9/9/59 S was taken from the Oakland City Jail to the San Leandro Police Department wherein he was held for investigation of Violation of 503 (Auto Theft). S had owned a 1950 Chevrolet Hardtop, License Number CZV-273. S stole from [REDACTED] a 1951 Chevrolet Hardtop with license plate number SCT 456. S had this car repainted to resemble his car and switched his license plates to the stolen car.

S was held in the San Leandro City Jail and a hold was placed upon him by the DAP. He appeared in the San Leandro Municipal Court on 9/10/59 before the Hon. Judge Connit and plead guilty, was arraigned to Superior Court #5, the Hon. Judge Mosbacher presiding, where on 9/17/59, he plead guilty to Violation of 503 VC (Car Theft). S reported back for sentencing in Judge Mosbacher's Court on 10/8/59 and was committed to the Director of Corrections for the term prescribed by law.

Comments on Crime and S's Statement to PA:

S stated that he had stolen the car and did not know really why this action had been taken as he had been working regularly and would have been able to purchase a car like this without any difficulty. S would not make any statements regarding burglaries in which he was suspected of being implicated. Subsequent regarding calls to the Oakland Police Department show that after S and other members of the gang were apprehended the burglaries following a certain MO had ceased in the bay area.

[REDACTED] Apprentice Mechanic, 22722 Filbert St., Hayward

1 Regarding; 1 Phone; 2 Office.

FACTUAL DATA: Shortly after Subj's release he ostensibly moved to the home of his mother and calls were made at this address without success. It was finally learned through Subj that he was living with a friend [REDACTED]. He was told that he must let the parole office know where he was living and could not live with this particular friend as it turned out to be the brother of an ex-parolee and this brother had also been in trouble in the past. Subj then returned to the home of his mother. He remained unemployed until the end of this report period when he secured a job for a short time with the Fred Green Machine Co. on 820 Prune Avenue in Oakland. He was laid off within a short time and stated he was working with a friend named [REDACTED] fixing automobiles at a garage at 22722 Filbert St., Hayward. It was while he stated he was working here that he was arrested by the Oakland Police Dept. at [REDACTED] where he was with two girls at the time of his arrest. He was arrested by members of the Robbery Detail for the San Leandro Police Department as he had been identified as having committed a robbery of Wee Club 2/14/63 in the City of San Pablo. Subj at the present time is in the custody of the Sheriff's Office in Martinez at the County Jail and a Hold has been placed. A further report will be made when a copy of the investigation report is received.

EMERGENCY REPORT: 7/23/63

This report is supplementary to the last Emergency Report bringing Subj's activities to 2/15/63 and in which it was reported that S was in the Contra Costa County Jail on a charge of Robbery. Subj continued awaiting trial on this charge until the evening of 7/21/63, when he and another parolee, one [REDACTED] who was also awaiting trial on a criminal charge, both escaped from jail through a ventilator and their present whereabouts are unknown. In view of this situation, a Suspension of Parole PAL report will be submitted.

O. J. WATSON, PA I /mg (7/23/63)

EMERGENCY REPORT: 8/29/63

This Emergency Report is supplementary to the Emergency Report of 7/23/63 in which it was reported that on the evening of 7/21/63, S and one other parolee, one [REDACTED] had escaped from the Contra Costa County Jail in Martinez. It was also stated in this report that a PAL Report would be submitted. Before the report was submitted, however, S was apprehended at the home of his mother in Sacramento and will now be returned to the custody of the Contra Costa County Authorities.

O. J. WATSON, PA I /mg (8/29/63)

EMERGENCY REPORT: 8/29/63

This Report is supplementary to the last ER in which it was reported, after an escape, had been recaptured. It has also been learned that S had committed a very short-lived escape previously from the Contra Costa County Jail at Martinez on 4/22/63 with a fellow prisoner named [REDACTED]. Apparently, at this time it was the practice of the bailiffs when holding prisoners for appearance in Superior Court, to hold them temporarily in the jury room, which is adjacent to the Superior Court in which they are tried. On 4/22/63, S and [REDACTED] were being held in
BATCHELDER, Jack A 39879 P&CSD/Oakland

(Cont'd...)

EMERGENCY REPORT: 8/29/63 (Cont'd..)

this room temporarily awaiting appearance in Superior Court and had taken their bed sheets in their clothing to the room and used them as a rope and means of escape through the jury room window. They were only at large approximately 45 minutes and were found on the outskirts of the City of Martinez by the Shell Refinery.

On 8/6/63, S appeared for sentencing in the Central Costa Superior Court of the Hon. Homer Patterson on one count of 211 P.C. (Robbery 2nd Degree) and two counts of 4532b of the Penal Code (Escape). On the charge of violation of Section 211 P.C. (Robbery 2nd Degree), S was sentenced to the Director of Corrections for the term prescribed by law, said sentence to run consecutively to any unexpired term. On the first count of violation of Section 4532b P.C. (Escape), S was sentenced to the Director of Corrections for the term prescribed by law, said sentence to run consecutively to the violation of Section 211 P.C. charge. On the second count of violation of Section 4532b P.C. (Escape), S was sentenced to the Director of Corrections for the term prescribed by law, said sentence to run concurrent. As a result of this situation, a Violation of Parole Report will be submitted.

(Continued on reverse side)

12. **PERSONAL CONDUCT:** You are to conduct yourself as a good citizen at all times, and your behavior and attitude must justify the opportunity granted you by this parole.
13. **CIVIL RIGHTS:** A number of your Civil Rights have been suspended by law. You may not engage in business, sign certain contracts, or exercise certain other Civil Rights unless your Parole Agent recommends, and the Adult Authority grants the restoration of such Civil Rights to you. There are some Civil Rights affecting your everyday life which the Adult Authority has restored to you, BUT you may not exercise these without the approval of your Parole Agent. You should talk to your Parole Agent about your Civil Rights to be sure you do not violate this condition of your parole. The following are some of the Civil Rights which have been restored to you at this time:
- You may make such purchases of clothing, food, transportation, household furnishings, tools, and rent such habitation as are necessary to maintain yourself and keep your employment. You shall not make any purchases relative to the above on credit except with the written approval of your Parole Agent.
 - You are hereby restored all rights under any law, relating to employees, such as rights under Workmen's Compensation Laws, Unemployment Insurance Laws, Social Security Laws, etc. (Reference is here made to Adult Authority Resolution No. 199.)
14. **CASH ASSISTANCE:** In time of actual need, as determined by your Parole Agent, you may be loaned cash assistance for living expenses or employment; or you may be loaned such assistance in the form of meal and hotel tickets. You hereby agree to repay this assistance; and this agreement and obligation remain even though you should be returned to prison as a parole violator. Your refusal to repay, when able, may be considered an indication of unsatisfactory adjustment.
